

# Literate and Literacy-Challenged Haitians Are Being Disciplined!

## A Message from the Director

### *Reaching the Heart of Haiti*

**with orality-based discipleship especially for the literacy-challenged.**

**Growth Ministries** is pleased to announce the offering of a 24- module discipleship training program in Creole for discipling literate and literacy-challenged believers in Haiti. Lessons are primarily written in drama or story- form as the literacy-challenged best learn from that method. Scripture memory is set to music and, thus, is easier to learn. The contents of the Creole edition include:

#### **Module A - *What it Means to be a Christ-Follower***

- A-1 *In the Beginning God*
- A-2 *Knowing God*
- A-3 *What it Means to be a Christ-follower*
- A-4 *Who I am in Christ*
- A-5 *The Bible and Me*

Module A is being used in unreached areas as an evangelism tool. Those who respond are used as the nucleus to establish a new congregation. The following modules are used to ground the new believers in what it means to be a true follower of Christ.

#### **Module B - *Angels, Demons and the Unseen World***

- B-1 *Children of God or Children of the Devil?*
- B-2 *Angels, Demons and the Unseen World*
- B-3 *Sin: Our Number One Problem*
- B-4 *Overcoming Temptation*

#### **Module C - *Dealing with Temptation and Sin***

- C-1 *My Body, the Temple of the Holy Spirit*
- C-2 *The Fruit of Self-Control*
- C-3 *The Holy Spirit: Someone Who Lives in Me*
- C-4 *The Holy Spirit: Someone to Help Me*

#### **Module D - *God's Design for the Family***

- D-1 *God's Design for the Family*
- D-2 *God's Design for the Marriage*
- D-3 *God's Design for the Children*

#### **Module E - *The Role of the Church in the Life of a Christ-Follower***

- E-1 *Why You Need the Church to Help You*
- E-2 *Resolving Interpersonal Conflict Among Believers*
- E-3 *Controlling the Tongue*

#### **Module F - *Practical Issues in the Life of a Christ-Follower***

- F-1 *Trusting God, Putting First Things First*
- F-2 *The Sanctity of Work*
- F-3 *Dealing With Fear*
- F-4 *Dealing With Tragedy*
- F-5 *An Overview of the Bible*

Every attempt has been made to make the materials culturally sound. The term “module” is used because groups using the materials can cover a module in a week or in as many weeks as they find it helpful.

## **Materials Available**

A Disciple's Guide, an MP-3 type player for each literacy-challenged disciple, and a manual for those who read and write are provided. The players are programmed with a weekly review of the lesson, Scripture memory in song, and the entire Bible for daily listening.

## **Costs**

**Materials are free!** Donations toward covering the cost of the players are needed and always appreciated.

## **For the Literate**

Disciple's Manuals in Creole are available free. Growth Ministries, by faith, underwrites the cost of the materials. Players cost GM \$35/each; guides and manuals cost \$6/each. Would you consider helping?
